

NEW ContiTour

Modern custom tire for cruisers and heavy touring bikes.

- Specially for heavy touring bikes, cruisers and Harleys® engineered carcass construction for easy handling, solid behavior and a high level of comfort.
- The MileagePlus technology features a compound that significantly extends mileage while maintaining exceptional handling.
- Center tread band on the rear tire without grooves increases mileage and offers directional stability under adverse conditions (ruts etc.).
- High performance pattern design for better drainage.
- Consistent performance during tire lifetime.
