

ContiRace *ATTACK* Comp.End.

Street race tire: Translates race performance to the road.

- Real high performance race tire for street legal use.
- Developed on the racetrack to give race performance in a road tire.
- Used in worldwide Endurance Racing.
- Precise handling with an increased footprint at extreme lean angles for more grip in corners due to an optimized front tire contour.
- 0°-steel belt construction on the front and rear for higher stability and feedback when braking and accelerating out of corners.
- Tread pattern adapted from the Attackfamily with a increasing slick area in the shoulder for more control and grip.

	190/50 ZR 17 M/C	(73)	W)	TL C	02 44 154	
	190/55 ZR 17 M/C	(75)	W)	TL	02 44 153	
	200/55 ZR 17 M/C	(78)	W)	TL C	02 44 327	

MultiGrip-Technology

Makes it possible to use a homogenous grip grading with a single compound thanks to temperature controlled curing of the tire during the production process.

- Shoulder area, flexible = Grip
- Central tread area, wear resistant = Mileage
- Continuous transition

0° steel-belted construction

0° steel-belted construction guarantees excellent stability at high speeds.

Handmade in Germany

For generations nearly all of our radial tires have been produced with great passion, skill and expertise in Korbach on the beautiful lake Eder.
