TUBELESS TIRES ON 15 DEGREE DROP CENTER RIMS

Aggressive on-off road tread design combined with enhanced cap/base compounds for improved mileage and traction.

Rugged 4-belt tread package resists impacts, bruises and penetrations for improved casing durability.

Minimal stone retention due to self-cleaning tread pattern and groove geometry for enhanced retreadability.

Increased sidewall gauge for improved resistance against curbing, cuts and abrasions.

Embedded with TPMS Active Sensor Technology.

Intelligent Tire | Equipped with TPMS Sensor

- Accurate, real-time tire pressure and temperature readings
- Sensor warranted for 5 years to minimize disruptions. See Warranty Policy for details.
- Sensor provides true casing temperature allowing preventive actions that make your tire last longer
- Avoids valve damage and air leaks by mounting on the inner liner
