

When Everything Counts.

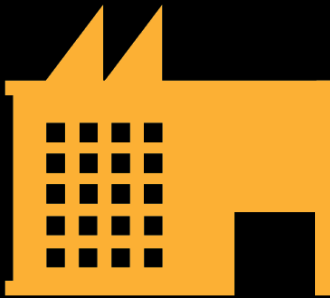

Original equipment (OE) tyres set the standard.

Only **the right set of tyres** ensures that the car's performance on paper translates into **performance on the road.**

The situation

OE tyres designed for safety

from the first moment **the car leaves the factory.**

Continental's OE expertise

Continental

is the leading OE supporter in **Australia** with fitments from basic to luxury cars.

Over **30 car brands** in Australia come fitted with **tyres from Continental.**

The OE approval of car manufacturers

can take up to **4 years**

from concept to supply.

More than

800

different vehicle models with wheel sizes between **13 and 23 inches.**

Our contribution

Each OE tyre has to pass

about

100

different tests

for e.g. max. speed, wet and dry braking, handling, comfort, noise level and mileage.
