Cream sidewall

Public Embargo

on 13 July 2020

With our unique tread compound, which is produced only in Germany, we have revolutionised the sport of cycling. With the legendary **BlackChili Compound** we have answered the eternal question of the best balance of grip and rolling resistance for cycling. The latest polymers as well as specially developed carbon black particles and filler materials guarantee unique performance, be it on a road, gravel or a mountain bike, for time trialling or downhill.

Vectran™ BREAKER

A synthetically produced high tech fibre, extremely tear-resistant for minimal weight. The reference in puncture protection, stronger and more protective than ever.
