

Tackle winter with confidence.

Conti Scandinavia Generation 3.

- Designed for a variety of road surfaces in all weather conditions to achieve excellent winter traction without compromising on either mileage or durability.
- Optimized compounds provide excellent grip on snow and in the wet without compromising in terms of mileage, wear shape or tread durability.
- All-round safety based on two-stage siping technology delivering great traction in winter as well as good mileage and traction in summer.

Conti Scandinavia Generation 3.

The safe choice.

Generation 3 Conti Scandinavia tires have higher natural rubber content for better rolling resistance and flexibility at low temperatures. The filler and oil content has been optimized to enhance wear and tear performance.

Sinusoidal sipes for improved traction and block stability

Longitudinal zig-zag groove with rotating flanks and varying angles to protect against stone trapping

Chamfered block edges for improved resistance to stone damage, high traction and homogenous wear shape

Zig-zag grooves for improved winter traction and robustness

Longitudinal zig-zag grooves with rotating flanks and varying angles to protect against stone trapping

High number of lateral grooves for better traction on wintry roads

Longitudinal zig-zag grooves with rotating flank angles, optimized for stone ejection and therefore more robust

Pocket sipes with alternating depths for optimal lifetime traction and mileage

Lateral grooves for improved stability even when the tire is brand new

Conti Scandinavia HS3

- › High safety and steering stability thanks to pocket sipe technology
- › Excellent rolling resistance and mileage due to the two-layer tread construction
- › Features the special Generation 3 winter compound for harsh winter conditions

PERFORMANCE

- +10% On-road mileage
- +5% Fuel efficiency
- +3% Robustness
- +3% Grip - hard packed snow
- +3% Grip - wet asphalt

compared to predecessor HSW 2

TIRE SIZES

- 265/70 R 19.5
- 285/70 R 19.5
- 295/80 R 22.5^{NEW}
- 315/80 R 22.5^{NEW}
- 315/70 R 22.5^{NEW}
- 385/65 R 22.5^{NEW}
- 385/55 R 22.5^{NEW}

Conti Scandinavia HD3

- › All-round safety based on two-stage siping technology delivering great traction in winter as well as good mileage and traction in summer
- › Excellent rolling resistance and mileage due to the two-layer tread construction
- › Features the special Generation 3 winter compound for harsh winter conditions

PERFORMANCE

- +5% Snow traction
 - +5% Wet traction
 - +2.5% Ice traction
- compared to predecessor HDW 2

TIRE SIZES

- 265/70 R 19.5
- 285/70 R 19.5
- 295/80 R 22.5^{NEW}
- 315/80 R 22.5^{NEW}
- 315/70 R 22.5^{NEW}

Conti Scandinavia HT3

- › All-round safety due to siping technology as well as pocket sipes for excellent stability when turning and braking
- › The wider shoulders are capable of withstanding strong lateral forces
- › Features the special Generation 3 winter compound for harsh winter conditions

TIRE SIZES

- 215/75 R 17.5
- 235/75 R 17.5
- 245/70 R 17.5
- 265/70 R 19.5
- 285/70 R 19.5
- 385/65 R 22.5*
- 385/55 R 22.5*
