

## **DATA PROTECTION NOTICE OF CONTINENTAL INDIA PRIVATE LIMITED (“CONTINENTAL/WE/US”) FOR THE APPLICATION “CONTI TCP APP”**

### **1. General Information**

Continental is making available the smartphone application Conti TCP APP (“**TCP APP**”). Continental is mindful to ensure that your privacy is protected. This Data Protection Notice is incorporated and forms part of the Terms of Use.

### **2. Collecting, Processing, and Use of Personal Data**

You agree that all personal data that you enter will be collected, processed, or used by Continental for one or more of the following purposes:-

- assess your application/registration
- administering your account
- process your order
- verify and process payment
- communicate with you
- inform you of our products
- respond to your queries
- send you promotional material; and
- any other purposes incidental and associated with any of the above.

Your personal data will be deleted after the purpose no longer exists or after you exercise your rights as a data subject that requires deletion of your personal data, provided that there are no legal storage obligations to the contrary.

### **3. Type of Personal Data Collected**

In this Data Protection Notice, the personal data collected from you includes but not limited to:-

- personal information that identify an individual i.e. name;
- contact information e.g. address, phone number, e-mail address; and
- vehicle details.

### **4. How we Collect Personal Data**

Your personal data will be collected by Continental for registering you as a Customer. The data will be stored in TCP database to use for a login credentials generation purpose when you use the TCP APP and your communication with us.

### **5. Disclosure to Third Parties**

Insofar as it is necessary for the fulfilment of the purpose, and during the duration of the storage of data, the personal data may also be transferred via electronic methods to third parties affiliated with Continental within the meaning of §§ 15 ff. (German) Stock Corporation Act (i.e., the personal data may be transferred to jurisdictions where any of the affiliated third parties are located, including outside India). We may disclose personal information that we collect or you provide as described in this privacy policy to contractors, service providers, and other third parties we use to support our business and who are bound by contractual obligations to keep personal information confidential and use it only for the purposes for which we disclose it to them. The disclosure of personal information is in accordance with the **Binding Corporate Rules** of Continental.

### **6. Rights of the Data Subject(s)**

We draw your attention to the fact that, as a data subject, you have the following rights in connection with the collecting, processing, and use of your personal data :-

- Right to revoke your consent at any time
- Right to be informed
- Right of access by the data subject
- Right to rectification
- Right to erasure
- Right to restriction of processing
- Right to data portability
- Right to object at any time
- Right to lodge a complaint with a supervisory authority

In case of compelling reasons for collecting, processing, and use that outweigh your interests, rights and freedoms, or serve the assertion, exercise or defense of legal claims, the collecting, processing, or use of personal data necessary for this purpose can take place despite your objection or request for deletion/withdrawal.

## 7. Protection of Stored Personal Data

Continental uses technical and organizational security measures to protect the personal data you provide to us from manipulation, loss, destruction or access by unauthorized persons. The security measures are continuously improved and adapted according to the state of the art. Unencrypted data can possibly be viewed by third parties. We would like to point out that no secure transmission can be guaranteed with regard to data transmission via the internet (e.g. when communicating by unencrypted e-mail). Sensitive data should therefore either not be transmitted at all or only via a secure connection (SSL). You can determine the SSL status of the connection by looking at the address line of your browser ("https").

## 8. Cookies

When you use the TCP APP, information can be stored on your mobile phone in the form of a so-called cookie (small text files). This TCP APP only uses technically necessary cookies which are used to ensure the operation of the TCP APP .

## 9. Acceptance of the Data Protection Notice

You are given notice that the TCP APP will only be made available to you upon your accepting and expressly consenting to the terms of this Data Protection Notice, where such express acceptance and consent shall be evidenced by you clicking, checking, or indicating accordingly on the relevant consent portion of the registration forms.

By so indicating your acceptance of the terms of this Data Protection Notice and/or continuing to use the TCP APP, you shall have consented to the processing of your personal data by Continental or any of its authorized agents, employees, partners and/or contractors for purposes as outlined, including the transfer of your personal data to places outside of India in accordance with the terms of this Data Protection Notice.

You also hereby explicitly consent to Continental processing any sensitive personal data relevant to such purposes. If you refuse to provide your personal data, you will be unable to use the TCP APP.
