EU REACH: Communication according to article 33

Herewith we inform you that the following Substances of Very High Concern (SVHC) are contained in Continental curing bladders as listed in the Technical Databook 2023/2024:

| CAS no. | Substance name | Content |
|----------|------------------------------------|---------|
| 140-66-9 | 4-(1,1,3,3-tetramethylbutyl)phenol | > 0.1 % |

Other products like tire building bladders, compounds and reinforcements are not involved.

Best regards

Dipan P. Shukla
