Data acc. to DIN 7805/4, WdK-Guidelines 134/2, 142/2, 143/14, 143/25  
 1) Load index single/dual wheel fitment and speed symbol  
 2) TT = Tube Type, TL = Tubeless  
 3) Fuel efficiency  
 4) Wet grip  
 5) External rolling noise (db)  
 6) For tire pressures of 8.0 bar (116 psi) or greater, use valve slit cover plate

People

## Whoever you take on a journey: The Conti Coach.

### Conti Coach

- › Excellent braking performance
- › Outstanding fuel efficiency
- › Comfortable ride

Conti Coach

# Conti Coach

The efficient tire for long-distance journeys.

GENERATION 3. DRIVEN BY YOUR NEEDS.

## Smooth running on long distances

## Conti Coach HA3

For long-distance coach journeys, reliability and efficiency are essential. The Conti Coach HA3 delivers maximum safety and reduced rolling resistance – even under demanding conditions. A tire so safe, its wet performance has been labeled with the best EU grade “A”, delivering safety to society.

## Further technical features

- › Optimized pressure distribution in the contact patch for uniform wear
- › Improved tread void ratio for more wear volume
- › Dedicated long-distance coach tire contour for improved even wear  
**Benefit: more mileage leads to long-term cost reduction**
- › Durable casing for premium retreadability
- › Retreading recommendation according to ContiLifeCycle standards on the sidewall for precise buffing contour  
**Benefit: optimal retreadability enabling operational efficiency**

- › Staggered siping technology with reduced noise intensity and optimized noise frequency  
**Benefit: quieter running and increased ride comfort**

## Product highlights

### Excellent braking performance

Example: 3D siping technology

- › Wet braking over tread lifetime with full-depth 3D siping technology
- › Wet optimized compound for better performance in the wet
- › 3D interlocking sipes maintain pattern stiffness for maximum braking effect
- › M+S capability for all weather conditions

### Outstanding fuel efficiency

Example: Fuel Saving Edge

- › Improved tread void ratio and Fuel Saving Edge without compromising wet performance
- › Optimized “belt to tread” width ratio, providing less deflection on the tread area

## Regrooving recommendations

### Conti Coach HA3

Size	Depth (mm)	Width (mm)
295/80 R 22.5	3.5	6-7
315/80 R 22.5	3.0	6-7

“To make sure that our customers reach their destination safely and on schedule, the safety and quality of our bus fleet are of the utmost importance to us. This also includes premium tires. The new Conti Coach tires fulfill our demanding requirements: outstanding driving comfort, perfect handling and quiet running – all characteristics really appreciated by our customers.”
