

Experts' Praise for ContiRoadAttack 2 EVO

- **Best buy in MOTORRAD magazine's tire test**
- **1st place in highway/day-to-day category**
- **Classed as one of the best since it was brought to market two years ago**

Hanover/Korbach, June 14, 2016. In MOTORRAD magazine's major touring tire test published in its 13/2016 edition, the ContiRoadAttack 2 EVO was crowned the winner in the "highway/day-to-day" category with the most points, thereby securing the "best buy highway" title.

Four sets of touring tires were candidates for testing by the MOTORRAD experts – two new candidates for this year alongside one of two reference pairs of ContiRoadAttack 2 EVO tires, which were named the test winners back in 2014.

When awarding the points for the highway/day-to-day category, the testers were not short of praise for the ContiRoadAttack 2 EVO: "Thanks to its outstanding handling, in our opinion it is the tire for curve chasers – like in the picture book. It remains unshaken from its spot after the 2016 test."

Continental AG

Continental develops intelligent technologies for transporting people and their goods. As a reliable partner, the international automotive supplier, tire manufacturer, and industrial partner provides sustainable, safe, comfortable, individual, and affordable solutions. In 2015, the corporation generated sales of €39.2 billion with its five divisions, Chassis & Safety, Interior, Powertrain, Tires, and ContiTech. Continental employs more than 208,000 people in 55 countries.
